

We can deliver and facilitate a variety of training packages to suit the schools requirements, timetable and budget.

**Full Training Package:**

- We can deliver training modules after school split over a few evenings.
- Deliver training over a full day on a weekend day.

**Part Training package:**

- We deliver the training modules that the schools are not comfortable with and the school deliver parts that they are more comfortable with.

**Remote school help; training package:**

- We can help remotely with any aspects of the training that schools may need for their DofE staff within the school to be able to deliver the training packages themselves to save costs
- We can send schools our in-depth presentation on the introduction to DofE created by Global Footprints to help teachers deliver and understand the DofE training modules
